At Integr8 dance we are committed to seeing dancers develop and grow in a supportive and friendly environment. We will always do as much as we can to help your child and sometimes we will make decisions that as parents you may not always agree with. Whilst we are open to discussion, please bear in mind that we are always trying to do what we think is best for your child and the team as a whole.

By being part of an Integr8 crew you are accepting that Integr8 teachers have the knowledge and commitment to guide and teach your child.

Integr8 teachers will always treat children and parents in the dance school with care and respect.
